2014–2015 SUA Community Agreements

In addition to the governing documents and parliamentary procedure, past Assemblies have also adopted community agreements in order to promote cooperation and goodwill within the SUA space. Community agreements only apply to the year in which they were passed, and may be modified at any time by a simple majority vote. Community agreements can override Robert’s Rules of Order, but they may not contradict the governing documents.

Adopted Community Agreements

The Assembly has passed the following community agreements:

- Snapping is prohibited when people are speaking.
- Be aware of others’ pronouns.
- Challenge the idea, not the person.
- Use inclusive and respectful language.
- Pronouns will be listed on name tags.
- Move up, move back.
- One mic, one diva.
- Assume best intentions.
- No false accusations.
- Use “I” statements.
