RE: Adviser to the Student Union Assembly

Dear Colleagues,

On behalf of the Student Union Assembly (SUA) officers, I write to inform you that for the 2013-14 academic year, we have agreed and decided, by majority of the SUA officers, to have Dean of Students Alma Sifuentes directly advise the SUA.

The SUA leadership this year hopes to accomplish several goals that could benefit from receiving advising and organizational support from the Dean of Students (DOS) office, and be advised by an organizational level closer to Chancellor and Campus Provost/Executive Vice Chancellor Alison Galloway. The SUA officers aim to set and achieve campus goals with senior management, and are more efficient and effective in meetings and communication in general.

I commend Director Fujioka for her continued support and guidance, and we look forward to building a professional relationship with Dean of Students Sifuentes, CP/EVC Galloway, and Chancellor Blumenthal.

Sincerely,
