I. Notable Work

- A. Answered a number of emails about various concerns.
- B. Interviewed a promising candidate for the unfilled SUA Treasurer position with SUA Adviser Homayun Etemadi. Pending a review of the candidate's application, I plan to hire them.
- C. Spent several hours setting up for, attending, and cleaning up after my first opportunity to table in the quarry. I compiled a page and a half of complaints and felt the endeavor was very successful. I plan to continue the program in upcoming weeks, though I may reschedule to put me outside during busier parts of the day.

II. Other notes

- A. Spent all remaining available time studying for tomorrow's midterm.
