## I. Notable Work

A. Drove to Oakland immediately upon waking up to attend a Council of Presidents meeting with UC President Janet Napolitano. The meeting and related discussions lasted most of the day and covered a wide breadth of topics; a report will be given to the assembly at our next Tuesday meeting and information I received is available upon request. I would publish the transcript I typed outright, but some of the matters that were brought up contain potentially confidential information.

## II. Other notes

A. Went to a midterm directly from the meeting with Janet Napolitano. Succumbed to exhaustion following its completion.
