I. Notable Work

- A. Extended invitations to all currently appointed SUA officers to ask for one-on-one meetings in the pursuit of creating a running inventory of SUA actions, finding common pursuits, and resolving various interpersonal issues in the space.
- B. Held a weekly officer meeting, at which the following items were addressed, among others:
 1. Funding for the yearly Holi festival, which will be held in early Spring quarter and is traditionally an SUA-backed event.
 2. A potential officer open house at which each officer could share their current initiatives and extend requests for community involvement to members of the assembly at large, as proposed by VPSL Tamra Owens.
 3. Upcoming matters of hiring and firing.
 4. Whether or not a meeting should be held as usual on February 14, Valentine's day.
- C. Updated weekly officer reports via a publishing request to the UCSC WCMS system.
- D. Revisited the pool of applicants for the upcoming VPAA search to ensure an acceptably large pool of applicants.

II. Other Notes

- A. As indicated by my other reports, this week has been very work-intensive, and my productivity is falling as I become fatigued. I plan to take today off after 4:00 PM to prevent burnout.

Productivity Rating: 2.5 / 5
