I. Notable Work

- A. Attended the Committee on Planning and Budget, providing student input where helpful for administrative consideration.
- B. Spent the afternoon and much of the evening going through old Employee Request System applications for the Treasurer and Communications Director positions, anonymizing, grouping, and sorting a large number of individuals to promote fair, effective hiring. Emerged with several folders sorting qualified candidates based on level of approval, ranging from “No” to “Definitely”. Began to draft a message to be sent out to these candidates pending research into whether or not they have been previously contacted.
