## I. Notable Work

- A. Answered a number of communications, most of them related to various difficulties with receiving SOFA or SUA funding.
- B. Met with Vice President of Internal Affairs to discuss thoughts, plans and initiatives to be brought up in our later meeting with Counseling and Psychological Services director Gary Dunn. Agreed on a number of pointed questions to be inquired after taking a lengthy look at the statistics obtained from Anna Sher.
- C. Met with Grace Shefcik and Gary Dunn at the CAPS office. Discussed a number of points, primarily issues surrounding the hiring of counselors with skills suited to helping students with certain needs or from certain cultural backgrounds. Was somewhat disappointed with the lack of concrete plans to remedy recurring issues, despite the understandable lack of funds and resources.
- D. Attended a meeting with Student Regent Designate Paul Monge to discuss a number of issues affecting the UCSC campus, including housing, revenue streams, and mental health. Opened up avenues for future communication and initiation going both ways.
- E. Attended Crown Student Senate.
