## I. Notable Work

- A. Attended the Committee on planning and budget for the first half of the day.
- B. Met at length with USSA representative Joselyn Garcia. Discussed a number of perspectives related to issues facing UC Santa Cruz, the national organization she represents, and the nature of the relationship between the two.
- C. Answered a number of correspondences, mostly related to funding allocations (some of them made as long ago as fall quarter) and upcoming SUA events.
- D. Attempted to table in the quarry, but was too late as a result of the aforementioned meeting, which was unfortunately scheduled during my regular office hours. May table this coming Tuesday to make up for the lost opportunity.
- E. Queued these reports to be published within the Web Content Management System.
