I. Notable Work

- A. Spent the first half of the day attending the Committee on Planning and Budget. FTE allocations for next year were discussed; needless to say, it was a relatively intense meeting.
- B. Spent some time answering various correspondences, primarily in response to my speech at yesterday's Academic Senate meeting.
- C. Tabled in the quarry to solicit student opinion. Talked to people about a wide range of issues ranging from tuition hikes to sexual violence prevention to divestment. Stayed until I was asked by Bay Tree bookstore staff to pack up at 5:00 PM.
- D. Was briefly interviewed by a reporter from UCSC's City on a Hill Press regarding the Fee Referendum authored by Vice President of Student Life Tamra Owens.
