I. Notable Work

- A. Answered a number of communications, mainly regarding the current student reclamation of Kerr Hall.
- B. Dropped by Kerr Hall to attempt to lend my support. Was not permitted to enter, but handed over my contact information in case it might be useful to those inside.
- C. Attended the weekly assembly meeting, at which the following items were discussed (among others):
 1. A number of funding requests, including one each from Queer Prom and the upcoming Suicide Prevention Walk event
 2. A number of endorsement requests, including one from an assembly member supporting the propagation of all-gender bathrooms across our campus
 3. An emergency funding request to raise money for the support of students currently reclaiming Kerr hall
 4. A number of funding and endorsement deliberations
- D. Located, purchased, and delivered as many blankets and pillows as could be obtained within budget for the students reclaiming Kerr hall. Discovered that you get a surprising number of weird looks buying out a pharmacy of fleece blankets at 11PM on a Tuesday.
