Dear Assembly,

It is an honor and privilege to have started my term this month for SUA president of 2016-2017. I am humbled and excited to share the task of progressing and strengthening our union with our student body, I am looking forward to exploring new ways to bettering the student life experience at UC Santa Cruz.

For further disclosure, I had spent my month in Minneapolis, Minnesota organizing workers at the University of Minnesota for AFSCME Council 5. To maintain connection with the body, I had scheduled check-ins with all of the officers and had suspended my pay. A majority of the tasks below were organized and accomplished from Minneapolis digitally.

‘Under my duties as the President of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2016 July and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month’s report.’

July Review Areas of Improvement

- Had a difficult time communicating with other officers perhaps because of distance.
- Not very happy about being unable to attend the events that I planned. Very grateful for student leaders for stepping up. Massive applause to Alice Malmberg, Vicente Lovelace and Julia Dunn for being proper leaders with the housing commission!
- Wanted to develop a long-term general plan this month but have been unable to due to time restraints and inability to consult with other officers and student leaders.
- Could function more effectively if I maintained my mental health.

With this in mind, i'd like to conclude my monthly officer report for the month of July. I look forward to working with more leaders and progressing my current projects. If you have any questions or concerns, please feel free to contact me at suapres@ucsc.edu and i'd be happy to have a discussion with you.

King Regards,

Ray Inoue
President, Student Union Assembly
