Hey Y'all!

Under My duties as Vice President of Student Life of the Student Union Assembly and Article III Slug to Slug Meeting Section A Subsection 6(1) of the SUA Constitution, I present my July 2017 monthly report and evaluation to the Assembly. I will outline all my events, logistical planning, activities and constructive criticism with areas of improvement in hopes of providing a detailed account in the month's report.

ONGOING PROJECs

Outreach Materials

Student Life Office Structural Rearrangement

-Finalizing goals of the Student Life Office for the year and writing new intern positions that work towards that goal
-Create new leadership system for the SUA Pantry & Lounge and create timeline for re-opening

AREAS OF IMPROVEMENTS

There were some complications in the beginning of the month in scheduling the first officer meeting which did not take place until the 2nd week of July. Last year the first officer meeting was held the very first day of our term since the Summer is a critical for solidifying plans that will affect the rest of the year. I am hoping the communication becomes smoother as the new officers settle into their positions.

Overall, the month started off well, outreach for incoming students was successful, and I am looking forward to the rest of the year.

This concludes my July 2017 officer report. If you have any questions or comments, please email me at suavpsl@ucsc.edu

Cheers,

Tamra Owens | Vice President of Student Life
