Dear Assembly,

Under Article III Section A of the Student Union Assembly Constitution, I am required to present a monthly evaluation to the assembly. This monthly evaluation of **January, 2019** will report the initiatives I am taking on as SUA Vice President of Academic Affairs and constructive criticism in areas of improvement within the SUA. In the following are the projects, meetings, tasks, constructive criticisms and improvements of this month.

Completed Tasks

This month, my main focus was on tying up Winter Scantron distributions, as the newest shipment of Winter Quarter Scantrons were delivered. Furthermore, the office worked on a collaborative event with the Student Academic Senate concerning a mental health focused program in conjunction with the Student Volunteer Center. Finally, further research was conducted concerning routes to move towards in textbooks.

Criticisms and Improvements

I feel that even further work can be pushed towards ensuring a cohesive process for Scantron distributions and counting. Furthermore, while preliminary work has concluded in textbook initiatives, I would like to push further for said initiatives.

This concludes my report. If you have any questions or concerns, please feel free to contact me at suavpa@ucsc.edu and I'd be happy to have a discussion with you. My office hours will be updated in the Fall by appointment.

Thank you,
Lauren Woo
Vice President of Academic Affairs
