To the Student Union Assembly,

Under my duties as Vice President of Diversity and Inclusion of the Student Union Assembly and Article III Section D.4 of the SUA Constitution, I, Enrique Yarce Martinez, present my **August 2018** monthly report and evaluation to the Assembly. I will outline all of my event, logistical planning, activities and constructive criticism with areas of improvement in hopes of providing a detailed account in this month's report.

August 4, 2018 → San Quentin Restorative Justice Symposium

- Spoke at the annual San Quentin Restorative Justice Symposium. Represented my office in the prison and met some really lovely people! Definitely want to try incorporate some sort of visiting trip to San Quentin for students. I also want to investigate how the school uses punishment. I have heard negative things from the current restorative justice program.

August 6, 2018 → SUA Meeting

- Had our weekly SUA meeting. Debriefed on the student organizing summit, discussed the Student Labor Organizing Conference. Some email exchanges, and an update on the SUA Retreat.

August 7, 2018 → CHP Interview

- Met with a City on a Hill Press reporter to discuss my position and the plans I have for the upcoming year.

August 9, 2018 → Hiring Committee

- First hiring committee meeting.. Discussed fair hiring practices, how the committee would be structured., scheduled plans for future meetings and conducted initial review of candidates.

August 10, 2018 → SUA fair hiring workshop

- Attended the fair hiring workshop with SUA officers. Reviewed fair hiring and the intern hiring process.

August 12, 2018 → SUA Retreat

- Attended the SUA retreat with the other officers. The DRC, CAPS and CARE all presented for the first half of the retreat with bonding activities and SUA revision ending the retreat. I had a really nice time with the officers!

August 13-15 → Camping Trip

August 17 → Court Support for Samantha Recino

- Attended court to provide support for a student given a citation during last years AFSCME protest.

August 21-23 → Assisted with hiring of Undocumented Student Services Interns

August 27, 2018 → SUA Meeting

Criticisms and Improvements

This month was great! Lots of great organizing opportunities in the community. Work at USS is great and I enjoyed spending time with everyone at the retreat. For my part I wish I had been able to schedule meetings with ERC coordinators this month, i'm going to make sure that get in reach with them during the last week of August

Respectfully,

Enrique Yarce Martinez
