To the Student Union Assembly,

Under my duties as Vice President of Diversity and Inclusion of the Student Union Assembly and Article III Section D.4 of the SUA Constitution, I, Enrique Yarce Martinez, present my **July 2018** monthly report and evaluation to the Assembly. I will outline all of my event, logistical planning, activities and constructive criticism with areas of improvement in the hopes of providing a detailed account in this month's report.

July 1, 2018 → SUA first meeting

- Had our first SUA meeting of the year. Discussed intern hiring, officer statement on Undocumented family separation, business cards and office set up.

July 3, 2018 - First day @ EOP

- First day of work at EOP under Undocumented Student Services. My goal is to integrate my work in this office with my own office. A lot of the goals of both offices overlap in terms of undocu student empowerment and creating events that promote community on campus.

July 8, 2018 - 2nd SUA meeting

- Second SUA meeting yay! We talked about CHP event, Budget approvals, NAACP convention stuff, retreat stuff, bookstore work complaint, identity org retention, the Mission Bell and SUA rebrand!

July 9, 2018 - Produce pantry pop up

- Organized food pantry at EOP for hungry students while OPERS pantry is closed for the summer. Worked with Tim from the farm and advertised through my office.

July 16, 2018 - Office set up/printing

- Finished setting up office and printing certain materials for distribution when the academic year.

July 21, 2018 - 3rd SUA meeting

- Third SUA meeting YEET, talked about problematic SOCC, more stuff about the NAACP convention, finalized some stuff about orientation and talked about the redo of the floors.

July 24-29 - Undocustudent extended orientation

- Worked at the orientation for the entire week. Also spoke at transfer orientation (gave a nice speech) and tabled at Porter quad for SUA (super fun)

July 27 - ERC coordinators

- Introduced myself to Shonte Thomas from the African American Resource and Cultural Center. She invited me to the ERC coordinators meeting to present myself as the new VP. Also met Travis Becker the Lionel Cantu Queer Center. I'm going to follow up with all of them and other coordinators from the ERC.

July has been chill, mostly preparing for events coming up in the Fall. And working at USS concurrently with this has been really fun.

Respectfully,

Enrique Yarce Martinez
