Thoughts and Improvements on the Month of March 2018:

EWOCC was great this month! I sent out a feedback form to our delegation, which will be useful for future planning. There were some issues with the timing of the conference, since it was unfortunately right before finals week. This led to a lot of our delegation dropping out/not showing up. However, we still had about 70 students attend the conference. The comedy night this month went well with AA/PIRC and Colleges 9/10. Additionally, we are exploring more partnerships with campus units and student organizations (i.e. APAHE Conference). The SUA retreat at the earlier portion of the month was really great. I wish more SUA folks attended! It was great getting to know more SUA people, and I hope that it can happen in the Fall Quarter next academic year.

Respectfully,

Katherine Le
