February 6th, 2018

Dear President Maxine Jimenez,

I present for January 2018 my monthly report and evaluation to the Assembly. I will outline my events and some areas where the Assembly could improve.

Events

1. Held weekly office hours at Terry Freitas Café (ongoing)
2. Met with LSAC to plan library events (ongoing)

Constructive Criticism

1. When the weekly agenda is sent out to the representatives, it would be helpful if a disclaimer is added letting everyone know that there is a possibility for major changes to happen right before and during the meeting. The agenda is not final when it is sent out and that should be clearly stated.
2. I think that it would be better to make the monthly reports due at the end of the meetings so that representatives can compare documents and have time to edit their responses during the meeting.

If anyone would like to meet with me please attend my office hours on Thursdays from 11-12am at Terry Freitas Café.

Sincerely,

Liam Staninger
