Dear Chair Shaz Umer,

Under my duties as the **Oakes** representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2013 fall quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly update on events of the college/organization:

Established Organizational Plans with Academic Senate	11/19	Complete
Coordinated Office hours for Oakes alongside Alfonso (Fellow Oakes SUA Representative)	12/2	Complete
Plans to Develop means of bringing more Transparency of SUA meeting Deliberations to Oakes Senate	N/A	In Progress

(Section 4) Fall Quarter review areas of improvements:

- Officers need to be more *specific* about endeavors that are directly related to or in support of. This is in relation to "Officer Report Backs" seeming overly ambiguous.
- Though this may seem as a time constraint, rather than simply having a roster call of representatives, perhaps there should be a chance for each representative to make comment on something relevant to their college. This is in specific relation to the lack of comment that comes from (at least noticeably) most representatives. In effect, this would create a more open environment for all representatives, allowing for a more open discussion.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If you have any questions, feel free to contact me.

Respectfully,

Christofer I Weast
Oakes College SUA Representative
