

Student Union Assembly (SUA), College Eight

December 3rd, 2013

Dear Chair Shaz Umer,

Under my duties as the College Eight representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2013 fall quarter report and evaluation to the Assembly, I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly update on events of the college/organization:

College 8 Senate provided funding for many College 8 events	10/10-12/2	In progress
Senate retreat/team building	10/20	Complete
Organizing Winter Wonderland	11/25	In progress

Fall Quarter review areas of improvements:

- We will better understand how to process funding requests and know which questions are vital to ask in order to ensure an impactful funding.
- College Eight will try to outreach further into the residents of College Eight in order to have a more collective and informed opinion when making important decisions affecting the college.
- College Eight will set up office hours and establish better communications with residents and off campus students of the college in order to spread more awareness.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If you have any questions, feel free to contact me.

Respectfully,

Elaine Wong

College Eight SUA Representative
