Chair Umer,

Under my duties as the Merrill College Representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2013 fall quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this quarter's report.

Quarterly update on events of the college/organization

Held weekly office hours at Casa Latina	10/22-12/3/13	complete
Attended RA Monday Night Meeting	11/4/13	complete
Attended Lobby Corp breakout session during SUA Meeting	10/22/13 & 11/12/13	Complete

Attended weekly college senate meetings	10/10/13-12/5/13	in progress
---	------------------	-------------

Fall Quarter review areas of improvements:

In the Merrill Student Government Senate space, we practiced occasionally Robert's Rules; as much as I believe Robert's Rules of Order are silencing to individuals who do not know how to follow them, I hope we either decide to use them wholeheartedly, or not use them at all.

As suggested at an SUA Meeting earlier in the quarter, I would like to see an updated SUA website, with a banner that advertises SUA Meeting location and time to make it easier for students to access that information.

During my weekly office hours, I only had visits from a couple of students from Merrill. In attempts to get more students involved with Merrill Student Government and SUA, I visited Merrill RA Monday Night Meeting, to give some information about meeting times and location. I also attended the EVC Committee to discuss Lobby Corp and plan to be involved in that committee. At our weekly senate meetings, we discussed business at hand, including resolutions and funding requests, among other things, as well as updates from SUA. In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If there are any questions, feel free to contact me.

Regards,

Priscila Rodriguez
Merrill College SUA Representative
