Dear Chair Shaz Umer,

Under my duties as the Porter College Representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2013 fall quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this quarter's report.

Fall Quarter review areas of improvements:

- I would like to see more discipline in terms of how long discussions are allowed to continue without interruption.
- I would like the minutes of the Porter Senate to be sent out to all Porter senators every week.

- I would like to see the Porter College website updated with each senator's name and position (at least for those with positions in addition to being a college senator). I would also like to see the Porter College website listing all of the events taking place at Porter.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If you have any questions, feel free to contact me.

Respectfully,

Sergio Klor de Alva
