Dear Chair Shaz Umer,

Under my duties as the Merrill representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my January, 2014 monthly report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

**January update on events of the college/organization:**

Held Weekly Office Hours at Casa Latina	1/1-31/2014	In Progress
Funded: RA Superbowl, Kinetic Poetics, ISO Spring Fling	1/1-31/2014	Completed
Merrill College Pride Week Committee Meeting	1/26/2014	Completed

**January review areas of improvements:**

- For those assembly members who were not representatives last quarter, it may be worthwhile to briefly go over the community agreements/ add to them, or at least let everyone know where the community agreements can be found.
- Since every representative is responsible for bringing referenda back to their spaces, I suggest that the assembly discuss how these conversations should take place (ie be unbiased, help people understand complicated issues, vote according to the space).

In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If you have any questions, feel free to contact me.

Respectfully,

Alexandra Kasper  
Merrill College SUA Representative
