Dear Chair Shaz Umer,

Under my duties as the **Oakes** representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 winter quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly update on events of the college/organization:

Set up office hour wed 2-3pm	2/4	complete
Create institutional system in Oakes to inform folks		In Progress

(Section 4) Winter Quarter review areas of improvements:

- SUA needs to do more analysis on how the SUA is able to achieve its goals and print out copies so the SUA can examine the data and make decisions based on such.
- Would like to see the SUA move away from superficial action.

In conclusion, I provide this summary as my detailed report for Winter Quarter 2014. If you have any questions, feel free to contact me.

Respectfully,

Alfonso Quintero
Oakes College SUA Representative
