1156 HIGH STREET, SANTA CRUZ, CA 95064

February 2, 2014

Dear Chair Shaz Umer,

As part of my duties as a Representative of Movimiento Estudiantil Chicano de Aztlan (MEChA) to the S.U.A. as stated in Article III Section A of the Assembly Constitution, the following is my January 2014 monthly report and evaluation to the Assembly. I will outline all of MEChAs events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly update on events of the college/organization:

Raza Poetry Night	In Progress
Chicano/Latino Dance	In Progress
GENTE Conference	In Progress
ORALE Conference	In Progress
Undoculove (colab with SIN)	In Progress

Office Hours: Monday 8-9 at the MEChA office (3rd floor SOAR Building)

January 2014 Areas of Improvement

1. I think the assembly could benefit from really stressing the importance of productive discourse, especially in terms of not being redundant and in managing speaking time.
2. I think there should be more emphasis on following up with resolutions that have been passed by SUA in the past. There needs to be more communication about what is being done to adhere to the resolutions.

In conclusion, I submit this January 2014 report for your consideration as part of my duties as a Representative of MEChA to the Student Union Assembly. If there are any questions, please feel free to contact me.

Respectfully,

Angelica Montes
MEChA Representative
