Student Union Assembly 2nd floor, c/o Soar

January 4th, 2014

Dear Chair Shaz Umer,

Under my duties as the **Oakes** representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 January report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month’s report.

Quarterly update on events of the college/organization:

Assist with coordination of Oakes events and transparency of SUA information and meetings	N/A	On Going
Coordinated Office hours for Oakes alongside Alfonso (Fellow Oakes SUA Representative)	2/3	Complete

Winter Quarter review areas of improvements:

- My only suggestion as of yet is that there be less obvious facial expression coming from SUA representatives when a topic that someone dislikes is presented. I bring this to your attention merely in that these expressions can cause distrust or social recoil. In other words, more use of “poker face”.

In conclusion, I provide this summary as my detailed report for January 2014. If you have any questions, feel free to contact me.

Respectfully,

Christofer I Weast
