Dear Chair Shaz Umer,

Under my duties as the Stevenson representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my January 2014 report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this quarter’s report.

Quarterly update on events of the college/organization:

Held weekly office hours at Stevenson Coffee House	1/10-	In-Progress
Meet and Collaboration w/ Oakes Senate	1/10-	In-Progress
Planning of Rock and Roll on the Knoll	1/10-	In-Progress
Stevenson/Cowell Leadership Summit	1/23	Complete
Council of Chairs Meetings and Collaboration	1/30-	In-Progress
Stevenson Campaign for Diversity and Tolerance	1/10-	In-Progress
Stevenson/Cowell Family Day Resource Fair	2/1	Complete

January 2014 review areas of improvements:

- The Student Union Assembly has, for the most part, been a pleasure to be a part of this past month. I would like to see community agreements adhered to more strictly. There have been a few comments and/or basic actions of disrespect in the body and it makes the room uncomfortable to be in.
- Increased collaboration between the college governments would always be beneficial to the entire university as a whole. The Council of Chairs should not only report to their respective governments, but to the SUA body to ensure communication and contact amongst the campus student governments.
- It would be great to see more appearances from the Chancellor and/or EVC Galloway. Even though officers meet with University leadership often, it is advantageous for the college and organization representatives to take direct reports back to the student body.
