**Winter Quarter review areas of improvement:**

- I would like to see Kresge Meadow project finalize.
- I would like to see Kresge Study / Writing Center renovations conclude successfully.
- I would like to see the pace of the SUA meetings to be slower in order to avoid any

misunderstanding.

- I would like to see an event that will bring all the college governments together to learn more about what other college senates, councils and parliaments working on.

In conclusion, I provide this summary as my detailed monthly report for Winter Quarter 2014. If you have any questions, feel free to contact me.

Respectfully yours,
