Dear Chair Shaz Umer,

Under my responsibility as one of College Ten Senate representatives of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 winter quarter report and evaluation to the Assembly. This quarter I will hold weekly office hours every Wednesday afternoon at 1 pm at the Stevenson Café. Where I will answer student concerns to the best of my ability and receive student input on resolutions discussed at the SUA meetings. Thus far I have attended all winter College Ten senate meetings and have given a concise report of all SUA topics to senators; providing enough accurate information in making a wise decision for College Ten students. Something I will work on this quarter is getting more students involved with the SUA while encouraging students on applying for SUA employment opportunities. I will do this by posting and spreading the word on ER numbers, while explaining what the position withholds. By doing this not only does the SUA get more student involvement, while also helping students get jobs!

Quarterly update on events of the college/organization:

UCSC Bone Marrow (volunteering)	1/21-24/2014	completed
Hold weekly office hours at The Stevenson Café	1-3/2014	In progress
College Ten Senate Meetings	1-4/2014	In progress

Fall Quarter review areas of improvements:

- I would like to see all members name and organization called out when voting.
- There should be designated seats for all SUA members, and all members should be visible to the chair.
- I would like to see the SUA website updated with each representative’s office hours and location. I also believe having a picture of SUA representatives online will be helpful to the student body

In conclusion, I hope that by providing this detailed summary of Winter Quarter 2014 I was able to keep everyone updated on my role as College Ten Senate SUA Representative. If there are any questions or concerns, please feel free to contact me.

Respectfully,
Leslie Gonzalez
College Ten Senate SUA Representative
