Dear Chair Shaz Umer,

Under my duties as the “College Ten ” representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 January report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month’s report.

**Quarterly update on events of the college/organization:**

|  |                      |                 |          |

| Weekly College senate meeting                  | <b>1/9-1/30/2014</b> | <b>Complete</b> |          |

**January review areas of improvements:**

- I see improvements on how the SUA meetings are and how the SUA body itself respects one another and our speakers, Hopefully it gets even better.
- I am currently looking at how the clubs on campus get funding? And if we are doing the best of our abilities to fund them.
- Most of my improvements can be found on my fall quarterly report.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2013. If you have any questions, feel free to contact me.

Respectfully,

Nabeil Lemar  
College Ten SUA Representative
