Dear Chair Shaz Umer,

Under my duties as the Porter College Representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 January monthly report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this quarter's report.

Monthly update on events of the college/organization:

Description	Date(s)	Status
Porter Senate Meetings	1/9, 1/16, 1/23, 1/30	In progress
Vigil for Ivan Mercado	1/14	Complete
Implementation of Ivan Mercado Memorial Scholarship/Endowment	1/14-Present	In progress
Crafter's Corner	1/18	Complete
Qi Gong gatherings in Porter Quad	Tuesdays	In progress
Poetry Night in Porter Dining Hall	1/22	Complete
Mural projects on display	1/27-1/31	Complete
Ethics Bowl -- Funded	1/16	Complete
Student film, "Private Eyes" -- Funded	1/23	Complete
Ivan Mercado Memorial Scholarship/Endowment - Funded	1/23	Complete

January 2014 monthly review areas of improvements:

- I would like to see comments from the SUA members that bring up new issues and are germane to the discussion at hand. Too many times there have been long discussions that could have been shorter if people did not repeat each other.
- I would like the SUA to try to maintain a high level of respect in regards to guest speakers and a more positive outlook on the university and university functions.
- I would like to see the SUA continue to work as a whole. While we may disagree on certain issues, I believe it is important that we remember to be united in our duty to continue improving our university.
