Dear Chair Shaz Umer,

Under my duties as the **Oakes** elected representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 winter quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly update on events of the college/organization:

Create a plan to outreach to Oakes students	2/5	In Progress
Create weekly office hours at college café Friday 11-12	1/5	Complete
Hold meeting to explain elections to Students	2/5	In Progress

(Section 4) Winter Quarter review areas of improvements:

- I have spoken with some students and they do not appreciate the secrecy of the concert from the representatives in the space, so I would like to see if we can do something about that.
- Make sure that all invited groups have a member who is able to come and represent themselves in the SUA Space
- Create a way for students to not be charged for the concert, because that would limit the access of the concert to many economically unstable students

In conclusion, I provide this summary as my detailed report for Winter Quarter 2014. If you have any questions, feel free to contact me.

Respectfully,

Victoria York
Oakes College SUA Representative
