To the Student Union Assembly,

Under my duties as a College Ten Representative of the Student Union Assembly and Article III, Section A.11 of the SUA Constitution, I present my February 2015 monthly report and evaluation to the Assembly. I will report each month that details the issues, events, and programs that happened that month at College Ten, and evaluates SUA and provides constructive criticism.

Since the start of the Winter 2015 quarter, College Ten Senate has begun meeting at 6pm every Thursday in the Terry Freitas Café for weekly meetings instead of 8pm which was the original meeting time in the Fall 2014 quarter.

From Monday, February 9th to Thursday, February 12th College Nine and College Ten hosted "Sexplosion" which was a series of socials filled with fun activities and games in light of the upcoming holiday, Valentine's Day. Also on Thursday, February 12th a College Night was held in the College Nine and Ten Dining Hall. The Winter Formal was held on Friday, February 20th from 8pm-midnight in the College Nine and Ten Multipurpose Room. The theme of the dance was Cirque de la Lune and the evening was filled with music, dance, and performances. Tickets were \$4 (\$3 with a voucher), and all proceeds went to the Beach Flats Community Center and the St. Francis Soup Kitchen. Since it was also masquerade themed, mask making for the Winter Formal was held on Wednesday, February 18th from 5:30pm-7:30pm in the College Nine and Ten Multipurpose Room. On Thursday, February 26th at 6pm American attorney and academic, Anita Hill, gave a public lecture on gender and racial equality in the College Nine and Ten Multipurpose Room. The February Festival, a place for students to come out, express their interest in, and explore the many resources offered here on the UCSC campus, was held on Friday, February 27th from 11am-3pm in the College Nine and Ten Multipurpose Room. The Day of Play, a carnival themed day for children and adults with special needs, was held on Saturday, February 28th from 1pm-5pm in the College Nine and Ten Multipurpose Room.

The College Ten Senate has participated in a readership project for years. This project includes free newspapers from the New York Times, U.S. Day Today, and the San Francisco Chronicle in the College Nine and College Ten mailrooms and the dining hall for students. Therefore, College Ten made a newspaper fund of \$1,000. For the month of February, College Ten Senate received funding requests from the following organizations: Matchbox Magazine, Violence Convention Prevention, USEA, Chinese Student Association, The Vagina Organization, Korean American Association (KASA), American Cancer Society: Relay For Life. Each group received funding from the senate as well. College Ten Senate also went over and discussed proposed referendum ballot measures which included the OPERS Fee and Learning Services (LSS). Both were passed or voted in favor of by the College Ten Senate to be put on the ballot.
