- Now that we as an Assembly is working on different committees to help enhance our public position and student life here on campus; I believe that we shall let our fellow students here at UCSC take part in these committees. Even though we say that the committees are open we ought to advertise and send out a campus wide email letting the students know about the open committees. When doing so, it opens up the opportunity to let our students have contribution on each committee.

If you have any further questions, please contact me at lmcneil@ucsc.edu, or visit my office hours in the College Nine Recreational Lounge on Wednesdays at 9:30am-10:30am (or by appointment).
