October/November 2014

Dear Student Union Assembly,

As an SUA Representative for Cowell College, here is my November 2014 monthly report to the Student Union Assembly. In this report, I will cover my activities in my position, the events at my college during this duration of time, and goals for the future.

**Goals and projected timeline for the months of October/November between October 1st– November 31st**

Tasks	Progress Dates/Timeline	Tentative Completion Deadline
Attend SUA Meetings	10/21/14-Present	Ongoing
Hold Office Hours weekly	10/21/14-Present	Ongoing
Attend Cowell Senate Meetings	10/16/14-Present	Ongoing
Attend Cowell College Night	11/20/14-Future events	Ongoing

**Completed projects, campaigns, events, tasks, or activities**

- I have received very few visitors to my office hours, which is a bit distressing. I did, however, have a brief chat with Cowell College Provost about the upcoming celebrations for the 50<sup>th</sup> anniversary of the founding of UCSC (and, of course, Cowell College, being the first college of the 10 college campus). I hope to have more visitors in the future, and am more than happy to move my office hours to accommodate people’ schedules.
- Many activates occurred in Cowell Senate during this time period, including but not limited to
  - As per tradition, Cowell Senate had many new members, leading to a total well over 20 (a rough estimate would be about thirty persons). Cowell has the tradition of New Member poetry, which was a great success, and allowed bonding in the Senate through the giving of nicknames (mine being “Moist” – if this needs explanation, I’m sorry, I can’t give any). Meeting time was change from Thursday at 6:30 to Thursday at 8PM to accommodate people with late classes.
  - Funding requests from various Student Organizations (such as Hack UCSC and Fishrap, to name a few). We almost totally exhausted our designated funding for the quarter, which was deemed a great success
  - Field trip ideas were thrown around, with nothing being voted on, and without a specific time/date/location in mind.
  - Committees were still not formed in Cowell Senate.
- In the SUA, I participated in many different initiatives and discussions, including:

- I recently in the SUA found a new role for myself, that of timekeeper. Whether or not this will become a real position, who knows?
- I plan to possibly propose a few bylaw amendments regarding Committees, some diction in the bylaws, and a few grammar mistakes. Also, I would like to take a look at the Constitution and see if it needs any revision.

Finally, I provide this monthly report for the months of October and November 2014 as a Cowell Representative in the Student Union Assembly. If anyone at all has any questions regarding my activities during the months October/November 2014, or my plans for the future, I would encourage contact with me through email ([sahoward@ucsc.edu](mailto:sahoward@ucsc.edu)), phone (831-713-7707), or drop in at my office hours (TBD, but most likely Tuesdays, 9-10AM at the Cowell DVD Library).

Yours,
