

February 17th, 2015

Dear SUA Chair, Justin Lardinois, ([Article III, Section A, 11, d](#))

As an appointed representative, it is my duty under Article III Section A of the SUA constitution to outline all the events, planning, activities, and suggestions in this month's representative report.

Crownies at Stanford Labs	12-05-14	Completed
Bigfoot Discovery Museum Trip	12-06-14	Completed
Book Blind Date	12-08-14	Completed
Regression Night Study Break	12-12-14	Completed
Finals Breakfast	12-14-14	Completed

Islands of the Pacific College Night	01-15-15	Completed

December/January review areas of improvements:

- I am glad to see that the SUA seems to be making progress in working together. I feel that the last few meetings have begun to show slow improvement in overcoming petty politics.
- I want to concentrate on speaking up more and not being so nervous. Oftentimes I sound nervous when I speak and/or swallow my words when I am going against the grain on an issue.
- In light of the last meeting, I wish that the SUA would have a more pragmatic view, especially on financial issues. I feel that sometimes people get emotionally invested in things and forget the big picture.

In conclusion, I provide this summary as my detailed report for December 2014 and January 2015.

Respectfully,

Andrew Paolini
