December/January review areas of improvements:

- I am grateful for the Chair's continued upholding of Robert's Rules.
- In cases of objections, I would like for the grounds for objection to be given immediately once the objection is given, so as to save time on the subsequent discussion, if relevant.

In conclusion, I provide this summary as my detailed report for December 2014 and January 2015. If you have any questions, feel free to contact me.

Respectfully,

Michael Markson
