Dear SUA Chair Justin Lardinois,

As an appointed SUA representative for Crown College, it is my duty to present a report for fall 2014 including events put on by my college and constructive feedback, as detailed in Article III, Section A, 11, d of the SUA Constitution.

### October

- 1 October 2014 - Crown-Merrill Apartment Barbeque
- 3 October 2014 - Glow Dance
- 25 October 2014 - Carve a Pumpkin

### November

- 1 November 2014 - Halloween Carnival
- 13 November 2014 - Crown College Night: Lord of the Rings
- 15 November 2014 - Saturday in the Park: Let Loose the Feet
- 17 November 2014 - Suicide Prevention Week
- 18 November 2014 - Sweet and Savory Faculty Social
- 25 November 2014 - Thanksgiving Dinner

### Feedback

- I would like to see fewer personal battles being fought in the SUA space, where I believe representatives are expected to represent the interests of their constituents.
- I appreciate the Chair's adherence to Robert's Rules of Order, and would like to see continued enforcement of these rules in the SUA space.
- I would like to take the stack into consideration in cases of calls to question. Individuals have been left out of conversation as a result of calls to question, which I feel has stifled what could have been valid points for debate.

In conclusion, I provide this summary as my detailed report for October and November 2014. Feel free to contact me with any questions you may have.

Respectfully,  
Michael Markson
