

Dear Chair Justin Lardinois,

Under my duties as the Kresge representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2014 fall quarter report and evaluation to the Assembly. I will outline all of my events, logistical planning, activities and constructive criticism, with areas of improvement in hopes of providing a detailed account in this month's report.

Quarterly updates on events of the college/organization:

Fundings	Japan Town Field Trip — \$70 Film Production Coalition — \$100
Winter Quarter Community Service	Baked goods donation table and sock drive for local homeless (Feb 16-18)
Kresge Events	DIY Aromatherapy: Student Lounge 01/21, Cafe & Conversation: Town Hall, 01/21, Bone Marrow Donor Registration Drive, 01/23, Game Night in Recreation Room, 01/23, Student Regent at UCSC, 1/26, Kresge only Hawaii College Night, 01/27, MLK Convocation, 01/28, First Impressions, 1/29,
In Progress	- Community Service - Kresge Beautification - Parliament Sweatshirt

Areas of Improvement:

- We need more Kresge students involved in Parliament. There are even open leadership positions that have yet to be filled.
- We are trying to plan events with Porter, which seems to be working well, but I think we should also get to know the Porter Senate more.
- I think we need more SUA Representative Alternates, because sometimes when one of us can't make it and the alternate also can't make it, we don't have three representatives in the SUA meeting.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2014. If you have any questions, feel free to contact me.

Respectfully,
Jacquelyn Roger
