<b>In Progress</b>	Improvements in the Kresge Student Lounge

**Areas of Improvement:**

- An efficient way of going through discussion so everybody gets a chance to express their opinions but the same ideas aren't repeated over and over again.
- More outreach because a lot of people don't know what SUA is and how it is working for them. People don't usually know that they can send a funding request for their event.

In conclusion, I provide this summary as my detailed report for Fall Quarter 2014. If you have any questions, feel free to contact me.

Respectfully,
