Student Union Assembly 2nd floor, c/o Soar

13 February 2015

Chair Lardinois,

Under my duties as Porter College Representative to the Student Union Assembly and Article III Section A. 11 of the SUA Constitution, I present my report and evaluation to the Assembly for the months of December and January.

On behalf of Porter Senate, I'd like to inform the Assembly and specifically the Officers that Porter Senate will not provide funding for events when other colleges have not been asked for funding.

In other news, Chancellor Blumenthal's big visit to the SUA was unsurprisingly met with a lot of anger from concerned students in regards to tuition hikes. In my opinion, the presence of the UCPD was highly inappropriate and ended with a student being shoved. I think if Chancellor Blumenthal didn't want the entrance to the meeting blocked, he should have just answered the student's questions without beating around the bush. Also, in the future I'd like the Assembly to suspend Robert's Rules of Order when such a large quantity of students show up so that nobody feels silenced. I commend the Assembly on efforts being made to be more inclusive.

Best regards,
Adham Taman
Porter College SUA Representative
