December Monthly Report

It is still true that QSU is not able to acquire funding through SOAR until Winter 2015, so our abilities to host events were still hindered, however we did hold a couple post meeting movie nights, as well as a study jam for finals. All events were hosted in the Cantu Queer Center. Also, two students were funded to go to T Camp, an intercampus retreat for trans/genderqueer & gender questioning college students.

Sincerely,

Haedyn Christie
