### February Monthly Report

In February, the Queer Student Union started planning for Queer Prom, which is one of the main events we plan during the academic year. We plan it with the Greek letter organization, Theta Pi Sigma. Queer Prom planning has slowed down, due to one of the main organizers of the event, The VP of Public Relations, resigning from her position.

The Queer Student Union has continued to try to receive our funding. After SOAR administration denied funding, the IVC of QSU meet with Alma Sifuentes to discuss the manner. Funding for our organization was arranged.

Sincerely,

Haedyn Christie
