Dear Chair Justin Lardinois,

Under my duties as the Stevenson Representative of the Student Union Assembly and Article III Section A of the SUA Constitution, I present my 2013 December report and evaluation to the Assembly. I will outline all of my events, activities and constructive criticism, with areas of improvement in hopes of providing a detailed report.

Monthly update on events of the college/organization:

12/4/2014	SSC motions to have half of its representatives support the Resolution in Support of the Water Watch Campaign of the California Student Public Interest Research and fully support the Resolution to Adopt USSA's Fund the Future Campaign	Complete
12/05/2014	Giving Back to Santa Cruz, sandwiches made for homeless people of Santa Cruz by Stevenson Students	Complete
12/15/2014	SSC Snack Fairies go out to studying students and give them free snacks	Complete

December review areas of improvements:

- Address the problem of there being important amendments on the stack and being skipped after a call to question vote.
- Hold officers accountable for office hours.

In conclusion, I provide this summary as my detailed report for the month of December. If you have any questions, please contact me.

Best,

Colin James Hortman
