Fall Quarter review areas of improvements:

- Address the problem of there being important amendments on the stack and being skipped after a call to question vote.
- More SUA events, if that means recruiting volunteers to help the IVC I'm sure some people would be more than willing and excited.
- Hold officers accountable for office hours.

In conclusion, I provide this summary as my detailed report for the months of October and November. If you have any questions, please contact me.

Best,

Colin James Hortman
